See who's out there on a color screen.

Equipped with a 4.3-inch color screen for the interior side of your front door, the DP1C Door Viewer shows you who's out there.

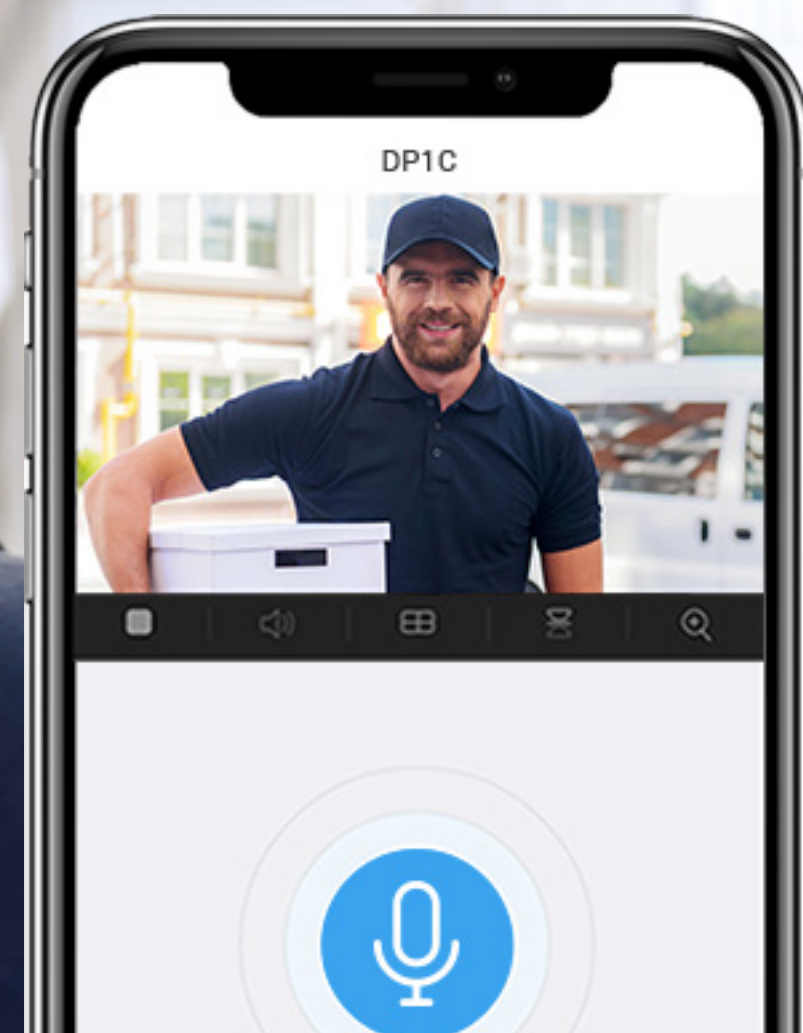

Instant alerts for 24/7 protection.

Featuring smart motion detection, the exterior camera captures images and sends real-time alerts to you when a visitor is at the door.

See and speak with visitors when you're away.

Thanks to built-in ringtones, the DP1C alerts you to visitors and provides real-time video on the screen. If you are away, you can still see and speak with your visitors using your mobile phone.

Brilliant vision, day and night.

See more and see clearer with its 104° wide-angle lens. Rendering sharp night vision of objects up to 3 meters away, the DP1C ensures your peace of mind all day and all night. It is also smart enough to automatically shift between day and night modes.

Sturdy and secure zinc alloy body.

Made of zinc alloy, the device fits seamlessly onto your door. The exterior camera is tamper-proof and privacy-guaranteed, making it impossible for bad actors to peep into your house through the camera.

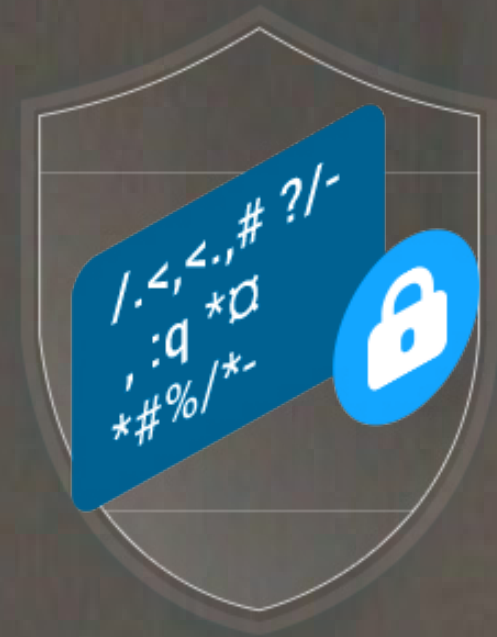

Long-lasting protection.

Equipped with a built-in 4600 mAh rechargeable lithium battery, the DP1C delivers long battery life with minimal power consumption.

We protect your data and privacy.

Protecting your data and privacy is our highest priority. Data transmission between the device and the EZVIZ Cloud is encrypted from end to end. Only you have the keys to decrypt your data.
